## **SPEECH LANGUAGE PATHOLOGISTS**

### **Trained in SRJ Therapies Oral Placement Therapy (OPT)**

#### Level One Training

These therapists have attended the 2-day class entitled *A Three-Part Treatment Plan for Oral-Motor Therapy*, or have viewed the class on DVD. We are not listing these therapists, as we have not observed their skills.

#### Level Two Training

These therapists have attended (or viewed the DVD of) the following 2-day classes: *Feeding Therapy: A Sensory Motor Approach* and *Oral-Motor Therapy: Assessment and Program Plan Development*. They have also viewed the 3-hour DVD entitled, *Assessment and Treatment of the Jaw*. We are not listing these therapists, as we have not observed their skills.

#### Level Three Training

These therapists have traveled to an SRJ-approved therapy clinic to receive 5 days of intensive education, including observation of evaluations, program plan updates, and therapy sessions. Their names and contact information are listed below:

#### Level Four Training

**Option #1: General** – These therapists have completed a minimum of 5 days of “hands on” personalized training from a Level Six instructor at an SRJ-approved therapy clinic.

They have demonstrated proficiency in working with clients of various diagnoses and skill levels who demonstrate deficits in any or all of the following areas: tone, sensory, feeding, and oral placement, affecting feeding and speech. Their names and contact information are listed below:

**Option #2: Limited** – These therapists have completed a minimum of 3 days of “hands on” personalized training from a Level Six instructor at an SRJ-approved therapy clinic. Their training has been limited to a specific area of specialization, which is listed in their contact information. They have demonstrated proficiency in working with clients of a single diagnosis who demonstrate deficits in the following areas: tone, sensory, feeding, and oral placement affecting feeding and speech. Their names and contact information are listed below:

#### Level Five Training

These therapists have demonstrated exceptional skills during a three-month paid tenure at an approved SRJ-therapy clinic. Their names and contact information are listed below:

#### Level Six Training

These therapists are qualified to train other therapists in the TalkTools Approach to Oral Placement, Feeding and Speech Therapy, run travel clinics, participate in the Innovative Therapists International speakers bureau, or start an SRJ-approved therapy clinic.
