Seminars in Oral-Motor Therapy 2010 - 2011 Schedule

DOMESTIC

Updated 7/27/10

Denver, CO
July 29 – August 1, 2010

9th International Moebius Syndrome Conference

The 9th Int'l Moebius Syndrome Conference will be held Friday, July 30 to Sunday, August 1, 2010 in Denver, Colorado. The conference will be held at the Omni Interlocken Resort in Broomfield, just outside Denver. Sara Rosenfeld-Johnson, among other researchers and physicians, will present their work on the genetics and treatment of the various aspects of Moebius Syndrome, followed by discussions and agreement to work together to unravel the mystery of the cause(s) of Moebius Syndrome.

Presentation:
Date: Saturday, July 31st
Time: 2:30pm – 3:30pm

For more information, please visit: <http://www.moebiussyndrome.com/>

Orlando, FL
October 8 - 9, 2010

The Association for Glycogen Storage Disease (AGSD) Conference

Join **Lori Overland, MS, CCC_SLP**, and other medical experts as they share the latest information on treatment and research in the various forms of GSD. The AGSD Conference is an annual meeting where those affected with GSD, their families, and medical professionals can connect with others – providing mutual support.

For more details, please visit: <http://www.agsdus.org/>

Houston, TX
October 21 – 22, 2010

Northern Speech Services presents "Teaching Children with Developmental Disabilities To Speak: Current Research and Best Practice"

Join **Sara Rosenfeld-Johnson, MS, CCC-SLP**, along with three other leading experts in speech acquisition, as they explore communication challenges and their solutions associated with autism, apraxia of speech, Down syndrome, and other populations. This empowering 2-day seminar which will examine the current literature on teaching children with developmental challenges to speak along with the latest research on the neuroscience of speech acquisition.
