Orlando, FL
April 29 – May 1, 2010

American Academy of Private Practice in Speech Pathology and Audiology (AAPPSPA) 2010 Convention

Join **Robyn Merkel-Walsh, MS, CCC-SLP** as she discusses current and past research and literature supporting oral-motor interventions. She will teach practical ways to transition non-speech movements into traditional articulation drills. Therapists will learn specific analysis of oral-motor issues and how speech-like movements impact speech clarity. By analyzing muscle movements, therapists can create more effective word lists to make positive changes in speech clarity, with reduced frustration levels.

May 19 - 22, 2010

CASLPA 2010 Convention

Come hear **Sara Rosenfeld-Johnson, MS, CCC-SLP** presenter her 1-day course entitled "Muscle Placement & Movement Patterns for Speech Clarity & Feeding Safety." In this presentation Sara will explain her unique program of using oral-motor therapy in association with traditional speech therapy to improve nutrition, feeding safety and speech clarity. Sara's techniques are based on a hierarchy of oral placement and movement in the abdomen, jaw, lips & tongue. The therapy targets the "feel" of speech and is motivating for children and adults of all ages and ability levels.

Date: Wednesday, May 19, 2010
